SUSTAINABLE SUPPLY CHAIN ALLIANCE**

Pre-Registration List

and

Supplier Showcase Display

As of 11/6/2011

UTILITIES

American Electric Power

*David Rupert, Director, Strategic Sourcing & Procurement**
*Mark Bueltmann, Manager of Sustainable Supplier Development**

APS

Barb Gomez, VP Supply Chain
Petra Nixon, Director Supply Chain Support Services

Bonneville Power Administration

Judith Chipman, Supply Chain Program Dev. Manager

DTE Energy

Anthony Tomczak, Director of Supply Chain Management
Stephanie James, Sr. Supply Chain Manager

Duke Energy Corporation

James Chuber, General Manager, Supply Chain
Eileen Robinson, Director, Sustainability
Russell Wilkenloh, Manager, Asset Recovery & Recycling
Ronald Reising, Chief Procurement Officer

Exelon Corporation

Bridget Reidy, SVP & Chief Supply Officer
William Brady, Director Corporate Environmental Strategy
*Abigail Rector, Supply Environmental Specialist**

Idaho Power Company

Naomi Shankel, Vice President, Supply Chain Management

Northeast Utilities

Elizabeth Maldonado, Director - Purchasing
Rossella Avery, Manager-Corporate Purchasing
*JoAnne DeRico, Sr. Sourcing Consultant**
Mary Emerson, Manager Corporate Sustainability
David Evans, Senior Sourcing Consultant
Dave Wanik, Environmental Audit & Remediation

NV Energy

Jean Odum, Staff Purchasing Agent
Keith Bacon, Strategic Sourcing & Continuous Improvement Manager

OGE Energy Corp.

Sheryl Love, Director Supply Chain Management
Melody Martin, Environmental Affairs Mgr.

Pacific Gas and Electric Company

*Des Bell, SVP Shared Services & CPO**
Jeff Boero, Category Lead, Principal
*Yonnie Leung, Principal, Environmental Sustainability**
*Gun Shim, Vice President**

PPL Services Corp.

Richard Goch, Directory-Supply Chain Performance Mgmt

San Diego Gas & Electric

Andy Renger, Supply Chain Manager
Bryan Gordon, Sustainability Program Manager

Southern California Edison

Debbie Avila, Sr. Category Manager
Larry Young, Manager
Alan Riddle, Director, Transportation Services Department

SUPPLIERS

ABB Inc.

*Elaine Hammick, Director of Environmental Engineering and Sustainability**
Trent Sendre, VP West Key Accounts

Accenture

Curt Volkmann, Executive Director - Sustainability Services

Agile-1

Jeffrey Artis, Director

Alcan Cable

Jim Stein, Division Environmental Coordinator
Steve Waller, Director Utility, IR & OEM Sales N.A.

Showcase Suppliers

Altec Industries, Inc

325 Industrial Way
Dixon CA 95620
(303) 886-0263
jeff.benda@altec.com

Jeff Benda

Display Description: Altec's lead sustainability project is the Green Fleet initiative, which includes hybrid and all-electric technology. They offer a broad range of green fleet solutions to decrease fuel consumption and greenhouse gas emissions.

AREVA Inc.

4800 Hampden Lane, Suite 1100
Bethesda MD 20814
301-841-1725
laura.clise@areva.com

Laura Clise

Display Description: Areva will showcase: 1. Solar Booster for coal/gas generation; 2. Concentrated solar for desalination 3. Deposit minimization treatment for steam generators 4. Hydrogen supply system at fuel mfg. facility

C.H. Robinson Worldwide

6195 Lusk Blvd
San Diego CA 92121
858.453.6699
john.newton@chrobinson.com

John Newton

Display Description: As a logistics services provider, C.H. Robinson helps their customers and industry increase efficiencies. They offer services that optimize business processes to efficiently use transportation and distribution network resources, ultimately driving costs out, maximizing logistics opportunity and minimizing carbon emissions.

CA Technologies

One CA Plaza
Islandia NY 11749
650-298-3140
viki.paige@ca.com

Chris Daughtery

Display Description: CA ecoSoftware is a leading carbon, energy and sustainability solution that can help reduce carbon emissions, manage consumption, and cut energy costs.

CH2M HILL

155 Grand Ave, Suite 800
Oakland CA 94612
510-587-7673
nancy.hendrickson@ch2m.com

Nancy Hendrickson

Display Description: CH2M HILL offers sustainable design services that help to improve our build environment.

Climate Earth

2150 Allston Way, Suite 280
Berkeley CA 94704
515-391-2725
chris@climateearth.com

Chris G Erickson

Display Description: Climate Earth provides environmental business intelligence systems for greener supply chains. The web-based system provides a framework to prioritize reductions and manage progress with periodic reporting.

Cooper Power Systems

1900 E. North Street
Waukesha WI 53188
262-524-4411
david.bingenheimer@cooperindustries.com

David Bingenheimer

Display Description: Cooper Power Systems will showcase Envirotemp FR3 fluid - a biobased, environmentally advantaged dielectric fluid, candidate to replace petroleum based mineral oil, has best-in-class environmental properties, including carbon neutrality, is renewable & sustainable.

DIS-TRAN Wood Products, LLC

P.O. Box 5109
Alexandria LA 71307
318-767-5597
jerry.george@distran.com

Jerry George

Display Description: DIS-TRAN will provide information on the Forest Stewardship Council (FSC) certification for their wood distribution crossarm.

The Economy, Energy and Environment (E3) Initiative

1200 Pennsylvania Ave NW Room 5303A
Mail Code 7409M
Washington, DC 20460
202-564-8829
murray.tom-hq@epa.gov

Tom Murray

Display Description: E3 brings together Federal agencies, states and local communities to deliver coordinated technical assistance to help small and medium sized manufacturers adapt and thrive in a new business era focused on sustainability.

Hughes Brothers, Inc.

PO Box 159
Seward NE 68434
402-643-2991
mark@hughesbros.com

Mark Heidemann

Display Description: Hughes Brothers, Inc. is a USA manufacturer of transmission & distribution utility structure framing materials in wood, steel and fiberglass components.

National Salvage & Service Corporation

PO Box 300
Clear Creek Indiana 47426
812.339.9000
tim.chastain@nssccorp.com

Tim Chastain

Display Description: National Salvage & Service Corporations' objective is to repurpose and recycle items of excess or waste and provide maximum value for those assets. NSSC recycles utility poles, reels and other wood waste for re-use for power generation.

New Market Waste Solutions

310 Arlington Ave #204
Charlotte NC 28203
704-632-9934
rryan@newmarketwaste.com

Robert Ryan

Display Description: New Market Waste Solutions manages and sets up recycling programs which divert maximum waste from the landfills to recycling facilities.

PE-International

485 3rd Street
San Francisco CA 94115
j.slye@pe-international.com

Jeff Slye

Display Description: PE-International will be demonstrating and providing BOTH service and product - GaBi LCA software and our professional services supporting utility companies with LCA initiatives.

Rotonics Manufacturing, Inc.

5677 W. 73rd Street
